

## **Magnifier Makers**

**What You Need:** Clear dessert plate, large craft stick, clear tape, "I Spy" label

*After the Activity:* Set magnifying glasses aside for pick up.

### **What You Say:**

"Today, you're going to make your own magnifying glass! Let's tape this craft stick to the back of our plate. I'll help you.

"Did you add your label to the handle? It says, 'I spy someone who believes in Jesus!' Let's hold up our magnifying glasses like this (*demonstrate*) and look for friends who believe in Jesus!"

*After the Activity:* "This week, let's remember that just like **[Bottom Line] I can believe in Jesus**, we can tell others about Jesus, too! Jesus loves everyone, and we can tell others about him. **Who can believe in Jesus? [Bottom Line] I can believe in Jesus.**"
